THE 43RD PICTURE

THE FLOWERPOT

I GOT PERMISSION FROM THE OLD LADY NEXT DOOR TO TAKE SOMETHING FROM HER CHILI PEPPER GARDEN.

BEFORE THE OTHER KIDS' PLANTS EVEN BEGAN TO SPROUT, MY CHILI PEPPER WAS GROWING LIKE CRAZY.

WHEN I WAS IN ELEMENTARY SCHOOL, MY HOMEROOM TEACHER GAVE EACH KID IN MY CLASS A FLOWERPOT AND TOLD US TO PLANT SOMETHING IN IT.

EVEN AFTER FINDING OUT IT WAS A WEED,
I KEPT TAKING CARE OF IT FOR
A FEW MORE WEEKS.

SOMETIMES I WONDER WHAT WOULD'VE
HAPPENED IF I HADN'T FOUND OUT
IT WAS A WEED AT THAT TIME...

WARU, YOUR PLANT IS GROWING WAY FASTER THAN EVERYONE ELSE'S. WHAT DID YOU PLANT?

WHAT SHOULD I PLANT..?

I THOUGHT HARD ABOUT IT.

I'VE GOTTA TRY HARDER.

I DID EVERYTHING I COULD TO MAKE MY PLANT GROW WELL.

THE OTHER KIDS ALREADY SEEMED TO HAVE DECIDED ON WHAT THEY WANTED TO PLANT.

TWO MONTHS LATER..

GROW TALL~

EVERY DAY AT LUNCHTIME,
I WATERED THE POT.

WHAT'S WRONG WITH IT?

AFTER SEVERAL WEEKS.
MY PLANT HAD GROWN A LOT,
BUT IT WAS SAGGING DOWN TO
THE GROUND, LOOKING VERY FLIMSY.

THAT'S A WEED...
